Recipients of Wound Healing visit our CPD portal at [www.mpconsulting.co.za](http://www.mpconsulting.co.za)

- Register with your email address as username and MP number with seven digits as your password and then click on the icon "Journal CPD".
- Scroll down until you get the correct journal. On the right hand side is an option "ACCESS". This will allow you to answer the questions. If you still can not access please send your Name and MP number to [info@medpharm.co.za](mailto:info@medpharm.co.za) in order to gain access to the questions.
- Once you click on this icon, there is an option below the title of the journal: Click to read this issue online
- Once you have completed the answers, go back to the top of the page next to the registration option. There is another icon "Find my CPD certificate". (You will have to answer the two questions regarding your internship and last CPD audit once you have completed a questionnaire and want to retrieve your certificate).
- If you click on that icon it will open your certificate which you can print or save on your system.
